Let's work together!

- Today – training workshop
- October 2026 to July 2027 – Survey around your own campus (see next slide)
- July 2027 – Symposium for secondary school students

Others

- Early 2027 – Local academic conference
- Mid 2028 – International academic conference

“The Plan” - Long-term spatiotemporal survey

- Methodology:
 - Time – Friday, suggested: 12:30pm-1:30pm (but can be other time between 6am-6pm)
 - Duration – ~30 minutes each time, walk around
 - Record and take pictures – Butterflies/Weather/plants/temperature/humidity/GPS
- Gold/Silver/Bronze schemes
- Analyse the ecological data collected by each school
- Group talks at symposium + academic conference?
